

## Clark Eastwood – Examining Board Member

Clark has been a member in good standing for 47 years, having initiated in 1963, and started welding in 1965. His first helping job was in 1958 (while still in high school), helping his father who was a long time member of 798.

Clark has worked for most contractors as a Welder, a Welder Foreman, and he worked on the Alaska Pipeline in the 1970's. He has been Welder Foreman with Sheehan Pipeline for over 20 years.

In 2010, Clark was elected to the Examining Board, and would like to say "It is an honor and privilege to serve by far the greatest Local Union in all of the UA."

Clark moved to Louisiana in 1997 with his wife Robin. They have 7 grandchildren, and 2 great grandchildren.
