

IMPORTANT NOTICE
798 DUES POLICY

To remain a member in good standing of United Association Local 798, you are required to pay regular monthly dues and working dues. Working dues are deducted from your paycheck and remitted to the Union. Regular monthly dues are not deducted from your paycheck, however, and therefore it is your obligation to pay these dues directly to the Union to remain a member in good standing.

In accordance with Section 157 of the United Association Constitution, a member owing over three (3) months dues shall automatically be suspended from membership without notice of any kind. A suspended member is denied all rights and privileges and is not entitled to any monetary benefits. Section 158 of the Constitution provides that a member becomes in good standing only after payment of all back dues owed, and payment of a \$50 reinstatement fee. The Local cannot and will not waive any reinstatement fee assessed by the United Association against suspended members. Section 159 of the Constitution states that members in arrears for a period of six (6) months shall stand expelled.

To be timely, regular monthly dues must be RECEIVED IN THE LOCAL 798 FINANCE OFFICE by no later than the end of each month. You can accomplish this in several different ways:

1. You may pay your regular monthly dues in-person at the Finance Office during regular business hours. Payments made in-person must be remitted by close of business on the last business day of the month.
2. You may mail your regular monthly dues to the Finance Office. Your dues must be received, however, by close of business on the last business day of the month. Your payment will not be considered timely if it is postmarked before the end of the month but not received by the Finance Office by the last business day of the month.
3. You may pay your regular monthly dues by credit card (Master Card or VISA) on-line through a link provided on the Local 798 website, which is located at www.local798.org. On-line credit card payments will be considered timely if made by the last calendar day of the month. Thus, if you have missed the last business day of the month for in-person or mailed payments, you can still be timely by paying on-line by the last calendar day of the month.

If you have any questions about the new Local 798 Dues Policy, please contact the Finance Office at (918) 622-1900.
