

Guy is a 49-year welder member of Local Union 798, and his wife Maria is a retired school teacher. Together they have two sons, Shane, an Executive Project Manager for Adolfson and Peterson in Dallas, and Chad, a Journeyman Spacer and Pipe Man. They also have six grandchildren, three grandsons, Hunter, Twins Kia and Kolton, and three granddaughters, Alyssa, Kalee, and Anna. While not on the job, they divide their time between their grandchildren, Masonic activities, riding their Harley and playing in the mountains at their home in Colorado. Guy says, "It has indeed been one of the most profound honors and privileges to serve this Local and its membership as your Recording Secretary. Thank you so much for your support, but more importantly for your friendship".
