

Guy Simms has been a proud member of Pipeliners Local 798 since his initiation in 1982. He worked as a Welder Helper until changing his classification to Journeyman Welder in 1989. Throughout his career; Guy has held the position of Welder Foreman, Job Steward, Fabrication Foreman and Hydrostatic Testing Welder for many contractors on various mainline, distribution, and compressor station projects. He is honored to have repeatedly served as an Inside Guard during Steward School over the past ten years. In 2011 and 2016, Guy also represented Local 798 at the 38th and 39th UA Conventions as an elected delegate. Guy and his wife Linda have been married 30 years and reside in Northeast Louisiana.
