Since 1969, the George M. Lambert Scholarship Program has awarded hundreds of scholarships to students enrolled in institutions of higher learning. These scholarships have been made possible through generous contributions to the Voluntary Fund and from donors like you who sponsor the Pipeliners Annual Charity Golf Tournament.

Each year, the scholarship program awards a \$7,500 Harry H. Faucett, Jr. Memorial Scholarship to the highest-scoring applicant of the George M. Lambert Scholarship Program, along with ten \$3,000 General Scholarships awarded to the next top ten scoring applicants.

This year, please join Pipeliners Local 798, the Pipeline Industry Benefit Fund, and numerous contractors and sister organizations on the golf course to support our youth in their educational goals and pursuits.
